

NASA Florida Space Grant Consortium (NASA-FSGC)

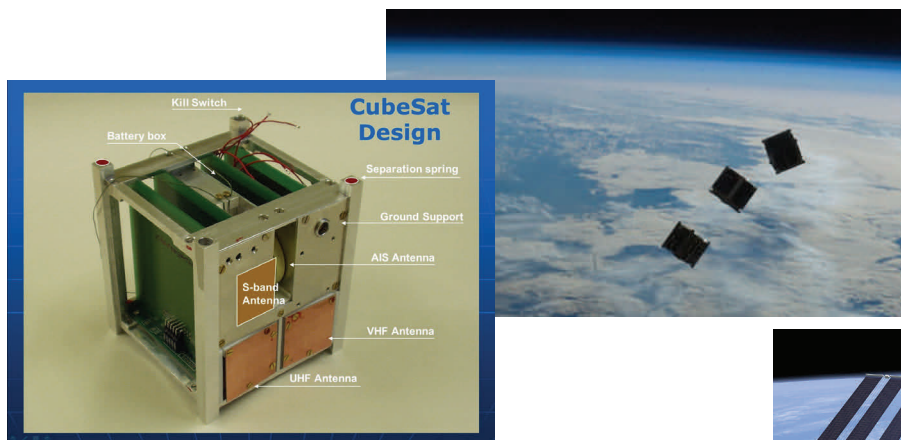

# *Build it, and it will Fly!*

*Do you want to:*

*Design and build your own payload  
and launch it on a weather balloon?*

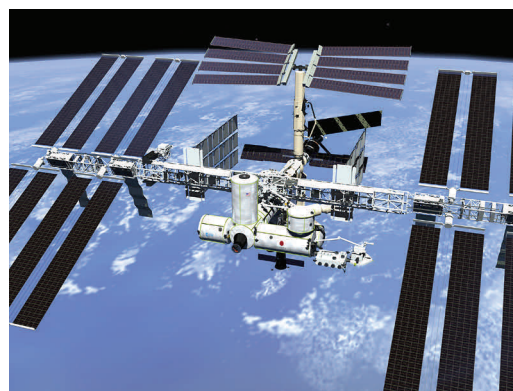

*Design, build and launch your own rocket?*

*Design, build and  
fly your own  
small satellite?*

*Design experiments that will  
fly to the International  
Space Station (ISS)?*

*You can achieve these dreams by participating  
in NASA-FSGC programs at a Florida  
University and College!
